Mr. H. G. Fawcett, Secretary,
The Milwaukee Amateurs' Radio Club,
205 Juneau Avenue,
Milwaukee, Wisconsin.

My dear Mr. Fawcett:

In connection with this proposed affiliation with the Milwaukee Association of Commerce, I find it necessary to call upon you for certain information to be used at the time we make application. These figures I desire should be as of November 16th; this will give you opportunity to compare your records with the treasurer's and, also, will give you ample time to note the effect of this new two months ruling on dues.

What is the total number of members of all grades in good standing? Charter members? Honorary members? Regular members? Associate members? Junior members? Note: information relative to the first two grades is attached to this letter. Their names should be placed at the head of your register, and in the case of Honorary members, in such a way that additions may be made.

What is the average rate of increase of membership? What is your prophecy as to the number of members on the first of this coming year?

I thank you in advance.

Very truly yours,

L.S. Baird
